April has been a joy to work with. She's known at LinkedIn for her expertise and is our primary Administrative Professional Instructor. She's well known throughout the industry and came highly recommended due to her speaking, training, consulting, advising, and coaching background. We have high standards and requirements, and April exceeds them all. She's known among the LinkedIn team as flexible, dependable, energetic, full of integrity, and delightful to work with because she has exceptional communication and emotional intelligence.

I just wanted to reach out and say THANK YOU for all you did to make yesterday's webinar a success. We had 5,155 women from 85 countries participate, and the feedback in the webinar chat and in social media was some of our most positive ever. In the words of our social media coordinator Rylee, who is responsible for tracking all online chatter about Propel events, "I cannot get over how powerful yesterday's webinar was." April, thank you for being so faithful to the call God has put on your life. It was such an honor to work with you on this webinar and to watch women be impacted right before our eyes.
